“ I worked with Tommy at P & K John Deere. He was a hard worker and a joy to be around, always laughing and kidding people. He will be missed by so many people.

“ Neighbors for over 40 years ❤️ Tommy is the most down to earth person there is, full of life advice, honest-always giving of himself, helping others and never taking. Tommy always had a tale to tell over the fence with Jim, best buds, great memories. You two are having the time of your life again, together & pain free in heaven 💕💕. All my love and support for Rita to be strong through this most difficult time. Tommy would be so proud of how you are taking care of family & business, he loved you very much. RIP my friend ❤️
