May 1, 1994 - September 14, 2022

Tyler Joseph Piazza, age 28 of Purcell, passed away unexpectedly Wednesday, September 14, 2022. Tyler was born May 1, 1994 in Oklahoma City, the oldest of three children born to Dan and Teresa (Wall) Piazza. He was raised in Purcell, and attended Purcell Schools, graduating with the Dragon's Class of 2012. Tyler was a gifted musician and played trumpet for the Dragon Pride Marching Band. He was grounded in his faith and active in his church youth group at Emmanuel Baptist Church in Purcell. Tyler was his own person and lived in the moment. He was an old soul who studied history and also an avid collector. He was a true outdoorsman and also collected guns and knives. He was a proactive hobbyist, enjoyed video games and hanging with his friends. He was currently working at Target in Norman. Tyler was taken from us too soon, but we find peace knowing he now rests in the arms of God. He was a wonderful son, the best big brother and a great friend to many. He will be dearly missed!

“ Tyler was a wonderful friend, coworker, and classmate. I am so thankful for the memories we shared. Tyler always knew how to make everyone laugh, and was a kind and calming presence. In times of need he was always there for a pat on the back and a "there, there". He always knew how to put a smile on my face. He will be dearly missed.

“ I worked at the same store as Tyler for two years. Whenever I'd be in grocery or around the store and saw Tyler he always made sure to ask "Howwwwws it' goin?" He always made time to chat and make a joke and it be funny and refreshing and him being a positive energy. Tyler will be greatly missed. My deepest condolences.

“ My thoughts & prayers are with you all; Tyler's family during this impossible time. Tyler was my friend only through work. I frequently visit Target as a shipt shopper for the Norman community. ANY time I was unable to find something or needed someone to go in the back & look for something, Tyler was ALWAYS willing. When Tyler was not working I would often ask myself "Where are Tyler & Brandon when I need them?!" He truly made my job easier & less stressful with his kind demeanor & his willingness to serve. We often shared silly "Dad" jokes with one another. My favorite from him was "What do you call a fish who can't speak?" ( I had no clue) Tyler said: "A fisssssshhhh." We had a good laugh with that one. I too am a mother who tragically lost my son in a very unexpected car accident, so my heart is very tender & broken for your family at this time, as I truly know & understand the depth of your pain. Tyler was a wonderful young man & was truly a blessing to be around. His absence will be felt everyday I work & he will be greatly missed. Please know he made an impact for the good in peoples lives & again, I will miss him very much. May God wrap His arms around you all during this very painful journey.

“ *My deepest condolences to Chief Piazza and his entire family. I am very sorry for your loss.*

*In Judaism, whenever someone dear has passed away, we add "yehi zichar baruch," anytime their name is spoken. This means, "may their memory forever be a blessing" I know Tyler was a blessing to you all and he will be sorely missed. May God only strengthen you during this time and comfort you with the blessings of Tyler's life.*

“ There really are no words to express how our hearts hurt for yours & it's no where near what yours must be going through. While we never had the pleasure of meeting your son, we just know he had to be extraordinary because you are his mom. We think the world of you Mrs. Piazza & love you so, so much! You will all be in our prayers.
