Waylon attended OSU Okmulgee where he studied in the G.M. ASEP Program, graduating with his Mechanic's Certification in 2000. Waylon was a gifted mechanic. Away from work, Waylon was probably in the gym working out, and it was said he was a "gym rat". He loved spending time with his fur baby Yeti, and spending time with family and friends. Waylon was an overcomer; he faced many challenges throughout his life, and yet always seemed to come out on top. He was a wonderful son, brother and a true friend. He will be deeply missed!

“ Waylon will be greatly missed. We spent a lot of time together, with the Dolans, over the years - especially during the years our kids were growing up. Waylon was the cutest and sweetest kid and will never be forgotten. Our prayers of comfort & strength go out to the Dolan family and to all of Waylon's friends. The world won't be the same without him. Much love from the Allens
