“ I just found out about William and I'm in shock. William was a great guy and would do anything to help a friend, I needed some trees cut down and he seen ppl was going to charge me hundreds just to cut down 2 Lil trees so he offered to cut down the trees for free so 2 weeks later he came out to cut down the trees and was having some problems with his chainsaw so 2 weeks after the first try he came back out and took down the trees and didn't ask for anything in return... R. I. P William.... God only takes the best
